EASTBOURNE BOROUGH COUNCIL PARKING ACCOUNT

Income and expenditure for the year ended 31 March 2020 was:

		£000
Income from off-street parking charges		(401)
Income from off-street penalty charges		(1)
Other Income		(27)
	Total Income	**(429)**
Staffing and Management		115
Running Expenses		180
	Total Expenditure	**295**
	Surplus on the parking account	**(134)**

The surplus on the parking account pays for any parking improvement projects and supports the council's general expenditure.

The total income of £429,000 shown in the table above comes wholly from the council's off-street parking activities, i.e. from car and coach parks.

The council receives no income from any on-street parking activities, i.e. from charging for parking on highways and roads. In Eastbourne on-street parking is operated by East Sussex County Council.

Because the council operates off-street parking only it is exempt from the legislative requirements of Section 55 of the Road Traffic Regulation Act 1984 to ring fence any surplus and apply it solely for highways and transport related purposes.
