Dear Lisa

Request for HRA opinion on the Eastbourne Town Centre Area Action Plan

Thank you for your email dated 12 August 2011 consulting Natural England on the above.

We can confirm that Natural England considers that a Habitats Regulation Assessment (HRA) is **not** required for this plan.

We would be happy to comment further should the need arise but in the meantime if you have any queries, please do not hesitate to contact me.

Yours sincerely
