The purpose of the review will be to provide assurance that governance arrangements are adequate and operating effectively or to identify action which is planned to ensure effective governance in the future.
- 4.2 The outcome of the review will take the form of a Governance Statement prepared on behalf of the Leader of the Council and Chief Executive. It will be submitted to the Audit and Governance Committee for consideration and review.
- 4.3 The preparation and publication of the Governance Statement will meet the statutory requirements of the Accounts and Audit Regulations which requires authorities to 'conduct a review at least once a year of the effectiveness of its system of internal control' and to prepare a statement on internal control 'in accordance with proper practices'. As such the Governance Statement will be prepared in accordance with the timetable in participation of financial statements in accordance with the Audit and Financial Regulations.

5. Matrix of key policies, codes and procedures

- 5.1 In addition, this Code has an appendix listing key Council policies, codes and procedures that relate to the core principles of the Code and to which further reference may be made. This includes references to sections within the Council's Constitution where appropriate. This matrix helps provide evidence to show that the Council is complying with its Code. The matrix will be reviewed annually alongside the preparation of the Annual Statement and otherwise updated as necessary.
