Information Request and Response by Lewes District Council

- *The software used by the Media/Communications team to manage press enquiries, send press releases, monitor the media and maintain a press contacts database.*

Lewes District Council does not have a Media/Communications team. The council has a contract with Cobb PR who manage PR and press enquiries for the council.

- *The software used by the Media/Communications team to manage and store interactions with stakeholders (e.g. the media, regulators, government agencies, the community, the public)*

See response to first question.

- *The software used by the Public Affairs or any other relevant team to monitor the political environment and Parliament and log interactions with politicians, civil servants, lobbying bodies, trade unions, etc.*

Lewes District Council does not have a Public Affairs team and do not have a system to monitor the political environment or log interactions with politicians etc; however, our Democratic Services use Modern.gov for minute recording of committee meetings.
