## Water Charges

Ref: FOI / 5843

---

### Information Request

*All recorded information (including Committee Reports, minutes and e-mails) on your liability to refund excessive water and sewerage charges and the arrangements for such refunds.*

*A copy of your standard tenancy agreement including the service charge schedule from 2001 onwards including any subsequent amended tenancy agreements used.*

*A copy of all correspondence clearly setting out the negotiations surrounding your Agreement (as social housing landlord) with your Water Company re your water billing of social housing tenants.*

*A copy of any agreement/ contract between yourselves and the water company pertaining to the supply of water to your social housing tenants irrespective of whether you consider yourself to be an agent or water re-seller.*

---

### Response by Lewes District Council

Tenants of Lewes District Council are responsible for their own water bills and deal directly with the supplier.

Tenants from our Sheltered Housing Scheme are recharged for the water supplied to the communal areas within each block.
