

Date Provided: 9 November 2017

Right to Buys

Ref: EFOI / 5892

Information Request and Response by Eastbourne Borough Council

1. *The number of residential properties (houses, flats, maisonettes) where the council owns the freehold but is no longer the leaseholder, i.e. the number of properties sold under the Right to Buy.*

667 residential properties have been sold under long leases. This includes shared ownership flats and houses.

2. *The number of properties in the answer to (1) where the leaseholder registered address for correspondence is different to the leasehold address (an away address)*

280 properties have different correspondence addresses.

3. *If available, the number of these homes (answer to (2)) where the leasehold was sold after April 2012.*
