Right to Buys

Ref: EFOI / 6449

Information Request

How many properties, that the council has sold under 'Right To Buy', have been taken back under a private tenancy agreement and what is the purpose is for doing so?

Where possible, please also provide information on the monthly rent paid by the council for the property/ies.

Response by Eastbourne Borough Council

Eastbourne Borough Council can confirm that one property which was sold under Right To Buy has been leased back and the rent payable is £400 per month. The council does not have on record any details on the reasons for it being taken back under a lease agreement.
