Congress, Winter Gardens and Buccaneer

Ref: EFOI / 6542

Information Request

Progress with refurbishment of Congress and surrounds seems exceedingly slow if expectation of readiness this year is realised. This is a real inconvenience and I ask you to give me the expected re-opening date for the Congress, completion date of the Winter Gardens and the re-opening of the Buccaneer public house.

Response by Eastbourne Borough Council

The official opening date for the Congress Theatre is 24 March 2019.

The completion date for the Winter Garden is yet to be confirmed pending development of the final designed scheme; however, it is likely to be Summer/Autumn of 2019.

The Buccaneer will reopen towards the end of May 2018.
