Food and Garden Waste

Ref: FOI / 6862

Information Request and Response by Lewes District Council

1. *Do you operate a joint food and garden waste collection service (where food and garden waste is collected comingled)?*

No

2. *If yes to 1 above - do you charge for either collection and/or disposal for a garden and food waste service?*

Not applicable

3. *If yes to 2 above - what is the charge and frequency of collections?*

Not applicable

4. *If no to 2 above - do you charge just for garden waste collection? If yes please tell us the cost and frequency of collections.*

Not applicable

5. *Do you make any charge directly or indirectly for collection and /or disposal of household food waste in any form?*

No

For information Lewes District Council collects food waste weekly on the same day as domestic waste. There is no charge for this. We also offer a fortnightly garden waste collection service at a cost of £70.00 per annum. Full details of our waste & recycling services can be found on our website:
