

# After Dark *at Reedens Meadows*

**NEWICK**

**Friday 20 July 9pm until late**

Join us to discover the creatures of the night at this lovely old parkland site. On a warm night hundreds of beautiful moths fly into our moth traps. Hopefully we will see and hear bats as well. Bring a torch, wear sturdy shoes and warm clothes. No toilet facilities.

Meet at Reedens Meadows car park (limited parking).

North side of A272 BN8 4NX
