Risk based verification

Ref: EFOI / 7237

Information Request and Response by Eastbourne Borough Council

The points in the following request refer to the use of risk-based-verification software applied to Housing Benefit claims in the year 2017/18, or the most recent financial year for which full-year data is available.

I would like to request the following information:

The name of the software system used by the council for the purposes of risk based verification and the company that manufactures said software.

Eastbourne Borough Council does not use risk-based verification for housing benefit claims.
