Beach Huts

Ref: EFOI / 7147

Information Request

Eastbourne Council recently build/refurbed 2 beach huts near Eastbourne pier and I was wondering how much these cost in total? Or if you could let me know the cost of one I'm sure the other isn't far off the same cost.

Response by Eastbourne Borough Council

£106,479.99. Please note this figure includes a proportion of the costs for the remaining 3 iconic huts.
