

Date Provided: 1 October 2018

Building Preservation Notices

Ref: FOI / 7715

Information Request

I would be grateful if you could please provide me with a register confirming all commercial properties that have been subject to a Building Preservation Notice (in accordance to Planning (Listed Buildings and Conservation Areas) Act 1990) for the past 10 years.

For ease of reference, please interpret the past 10 years as since '1st January 2008'.

Response by Lewes District Council

Lewes District Council can confirm that no Building Preservation Notices have been served in the last ten years.
