

Date Provided: 15 October 2018

## **Proposed Gypsy & Traveller Site, Plumpton**

Ref: FOI / 7872

---

### **Information Request and Response by Lewes District Council**

*Please can you inform me how much has been offered to the owner of the land south of the Plough for the proposed Traveller Site. I believe Lewes District Council has made the offer to the owner of the field south of the Plough for a portion of the field.*

**Lewes District Council can confirm that no offer has been made to the landowner of "land south of the Plough" Plumpton. Permission has been requested and received to put forward an allocation for 5 gypsy and traveller pitches on "land south of the Plough" in the Local Plan Part 2.**
