Information Request and Response by Lewes District Council

How many people does the council currently employ in communications, press office and/or public relations positions?

None

What was the total annual spend by the council on public relations, press office and communications for the calendar year of 2018?

£134,238

Does the council use any external organisations to handle communications or public relations? If so, which companies are used and how much did the council spend on these services in 2018

Yes. The council has a contract with Cobb PR to provide communications and PR functions. Spend as above.
