Homelessness

Ref: FOI / 8613

Information Request and Response by Lewes District Council

1. *How many people have approached the local authority stating that they are threatened with homelessness since 1 April 2018?*

We are unable to provide a breakdown of the number of households that say they are threatened with homelessness since 1 April. However, we have had 538 approaches to LDC from households saying that they are either threatened with homelessness OR are homeless on the day.

2. *How many people have been owed the prevention duty since 1 April 2018?*

109

3. *How many people have the local authority prevented the person being homeless?*

53

4. *How many people have approached the local authority stating that they are homeless since 1 April 2018?*

We are unable to provide a breakdown of the number of households that say they are threatened with homelessness since 1 April. However, we have had 538 approaches to LDC from households saying that they are either threatened with homelessness OR are homeless on the day.

5. *How many people have been owed the relief duty since 1 April 2018?*

121

6. *How many people have the local authority relieved of being homeless?*

32

7. *How much money has been allocated to the local authority for financial year 2018/19 to enable the local authority to comply with their new homeless reduction act duties?*

£35,837
