Tree Preservation Orders

Ref: FOI / 8826

Information Request and Response by Lewes District Council

Please provide details of the council website which shows Tree Preservation Order details

Lewes District Council does not hold Tree Preservation Order details online and they do not appear on our web site. LDC holds a list of TPOs in its area which includes those which are in the South Downs National Park where it overlaps Lewes District Council's area. This can be viewed in person at Southover House Southover Road, Lewes BN7 1AB between the hours 9am to 16:30 Monday to Thursday and 9am to 16:00 Fridays. It would be best to arrange a view in advance so that there is someone here to advise on its contents.

Anyone wishing to enquire about the planning status of trees (which includes TPOs) should provide an accurate address and/or location for the site, and where appropriate an indication where the trees of interest might be positioned. We will then try to respond within 24 working hours with a clear answer.
