Cycling Bylaws

Ref: EFOI / 9118

Information Request and Response by Eastbourne Borough Council

I am seeking disclosure under the Freedom of Information Act regarding enforcement of the 'No Cycling' bylaws on the Eastbourne Promenade to on that area immediately to the West of that part of Fisherman's Green, just before the Cadet Hall, where cycling is prohibited.

Specifically I would like a breakdown of all prosecutions undertaken, fixed penalty notices issued or verbal warnings issued to offenders in the past 24 months.

The council has not issued any warnings, Notices or undertaken prosecutions.

I would also like to know how many patrols have been undertaken by council officials in the last 12 months with the particular aim of enforcing the said bylaws.

Officers from the Neighbourhood First Team patrol the seafront on a regular basis for a number of reasons, not specifically cycling and therefore, these are not recorded as specific patrols.
