Temporary Accommodation

Ref: EFOI / 9133

Information Request and Response by Eastbourne Borough Council

1. *How many dwellings has the council purchased for the purpose of providing temporary accommodation for homeless people?*

None. During these periods we have continued to use providers of temporary accommodation (such as B&Bs) and taken properties from within our own stock of housing.

2. *How much has been spent making those purchases?* **Not applicable**
3. *How many of the purchased properties have disabled access (for example for a wheelchair)?* **Not applicable**

In addition:

4. *How much money has been set aside in the financial year 2019/20 for the purchase of properties to provide temporary accommodation for homeless people?*

There is no current allocated budget to increase the provision of temporary accommodation in 2019/20.
