

Coronavirus (COVID-19) update

HOMES FIRST

Lewes and Eastbourne
Councils

working together for you

Updated 17 March 2020

Recommendations to keep yourself safe and well

- Whilst there is a cleaning contract in place it is suggested that residents also undertake additional cleaning of 'touch points' such as door handles or railings near their property.
- Continue to monitor the latest information being provided by the Government, either via their websites or via the official press channels, and seek advice about our services via our website <https://www.lewes-eastbourne.gov.uk/community/covid-19/>
- There are many organisations and individuals looking to support those who are more vulnerable. Please follow guidance on this and be extra vigilant for any opportunists who would look to take advantage of those in need.
- If you would like to speak to us about the action we are taking please contact the office 01273 471600 or 01323 410000 and ask to speak to a member of the Neighbourhood Housing team
