### **Response by Eastbourne Borough Council**

I have carefully considered your request and investigated whether there is any additional information available that is not already publicly available.

I have determined that the information you have requested is already publicly available, and therefore under the Freedom of Information Act (2000), Section 21 (information accessible to applicant by other means) this information is exempt from requiring further action in order to make it accessible to you and the general public.

The above exemption specifies that where information is already reasonably accessible to the applicant there is no duty for the local authority to provide any additional copy of the material. This may include information for which a charge applies.

This exemption also requires **Eastbourne Borough Council** to inform you where this information is available from and how to access it. The details of how to obtain it are provided in the link below:
