

Vacancy

Eastbourne Homes Limited is dedicated to providing affordable, quality homes and excellent services that meet the needs of residents and the wider community.

**Independent Board Director - Non-Executive
(preferred experience with health and safety/building safety)
(1 position)**

We are an Arms Length Management Organisation (ALMO) looking after a stock of over 3,500 including tenant occupied residential homes and residential leaseholds in Eastbourne. Formed in 2005, the ALMO is currently governed by a Board of nine Directors comprising of residents, independent members and Council nominees.

The Board is a strategic link in the legal relationship with the Council. It has the responsibility for ensuring the company complies with its own constitution, company legislation, and most crucially with the obligations placed on it by the Management Agreement between Eastbourne Homes and Eastbourne Borough Council for the management of the housing stock.

Eastbourne Homes Limited is eager to ensure that the members of its Board of Directors have a range of experience to provide effective challenge to the Organisation. So, if you are able to demonstrate skills such as: professional management, legal, economic development, commercial, financial acumen, health and safety/building safety and have some knowledge or experience of housing issues and have a real commitment to making a difference for the residents in the community we serve; then a role on the Board may be an ideal new challenge. Living within the borough is not a pre-requisite to become an Independent Director.

Board meetings are held quarterly. Board Directors are also required to serve on at least one Committee (meeting quarterly).

The positions are unpaid, but expenses will be reimbursed.

Application closing date: 29th August 2022 - Interview by a recruitment and selection panel: during early September 2022 with dates to be confirmed

Please contact Jane McCarthy-Penman, Company Secretary on 01323 436404 or email jane.mccarthy-penman@lewes-eastbourne.gov.uk for a recruitment pack.

CV's will be accepted as part of your supporting documentation alongside an application form.
