### **INTRODUCTION**

These notes provide guidance on the licensing requirements for applicants wishing to become a Dual Hackney Carriage and Private Hire driver within the Eastbourne Borough Council area. The guidance is not intended to be an exhaustive or definitive statement of the law and all applicants should familiarise themselves with the provisions of the relevant Acts and Byelaws.

Should you have any questions relating to these notes or the application form, please contact the Licensing Team on 01273 471600 or email [licensing@lewes-eastbourne.gov.uk](mailto:licensing@lewes-eastbourne.gov.uk); you may also wish to seek independent legal advice.

### **PURPOSE OF LICENSING REGIME**

#### **APPLICANTS MUST BE 'FIT AND PROPER'**

The purpose of the Hackney Carriage & Private Hire licensing regime is to protect public safety and to ensure the provisions of an accessible service.

Applicants in respects of a Dual Hackney Carriage & Private Hire Driver Licence are considered within a framework of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976. The Licensing Authority shall not grant a licence to an individual unless it is satisfied that the applicant is a 'fit and proper' person to hold such a licence.

New applicants with less than five years residence in the UK must supply a Certificate of Good Conduct from the relevant embassy of any country where they have lived for a period of more than one year, in addition to an Enhanced Disclosure covering their time in the UK.

New applicants with more than five years residence in the UK must supply a Certificate of Good Conduct from the relevant embassy of any country where they have lived for a period of more than one year or written reasons why they cannot provide this, in addition to an Enhanced Disclosure covering their time in the UK.

All Certificates of Good Conduct must be translated into English by an accredited translator and accompanied by a declaration to that effect.

Failure to provide this with your initial application will result in the application being deemed incomplete and therefore rejected.

Each application is considered on its merits and, in forming a judgement about the fitness and propriety of an applicant, consideration is given to a range of issues including the details of any relevant criminal convictions, any safeguarding matters (relating to violent, indecent or dishonest investigations), the results of your medical examination and, where necessary, the character references.

### **RELEVANT CONVICTIONS, WARNINGS, CAUTIONS & REPRIMANDS**

The 'Rehabilitation of Offenders Act 1974' provides the means for considering past convictions, cautions and warnings. The Act introduced a mechanism whereby certain convictions can be removed (or become spent) from an individual's record after a specified period of rehabilitation.

In 2002, the Court made an Order specifically exempting Hackney Carriage and Private Hire drivers from the relevant provisions of the 1974 Act. This means that **ALL** relevant spent convictions, cautions, warnings and reprimands can be considered in relation to a Driver's Licence application.

Therefore, when completing the application form, applicants are advised to disclose all matters irrespective of their age or nature. Applicants are advised that any conviction, cautions, warning or reprimands, including those for motoring offences, will be taken into account. Applicants who have not been resident in the UK will have to provide evidence of good conduct from their previous Country of residence at the time of application in order for their application to be considered.

## [English Language Test](#)

**PLEASE NOTE:** Should you not produce the complete set of documentation listed above your application **WILL** be rejected until such time as a complete set of documents can be produced.

It should be noted that Eastbourne Borough Council does **not** provide any learning material for the knowledge test to new applicants; it is the responsibility of the applicant to prove to the Local Authority that they have the knowledge of the area to undertake this role.

A knowledge test can only be booked once you have submitted your completed application, passed the online English Test and a DBS certificate has been issued after completing the online DBS application.

**You do not need to provide the DBS certificate to the council unless requested but we advise that you register for the DBS update service as we will undertake DBS checks every 6 months if your application is approved ([DBS Update Service](#))**

**NB** The DBS disclosure document is valid for 3 months once received by the Council.

## FOLLOWING SUBMISSION OF YOUR APPLICATION

Following the submission of your application, the Licensing Team will:

- Validate your online DBS application.
- Make checks with East Sussex County Council's Safeguarding Unit in relation to the applicant's suitability to hold a licence with the Local Authority.
- Make checks with the Immigration Authority to check an applicant's right to work within the UK.

## **STEP TWO:**

## **PREPARING FOR THE KNOWLEDGE TEST**

You will need to familiarise yourself with the streets, public houses, points of interest and principle buildings within the Eastbourne area, together with the Council's licensing conditions, Policy and Byelaws. This will help you prepare for the Knowledge Test.

You will need access to a laptop or PC that has the Microsoft Teams app.

**Please note: The Local Authority does not provide training material to assist you with the Knowledge Test; the onus is on the application to demonstrate their knowledge of the local area to the Licensing Authority.**

The Knowledge Test is a computer based system, that is taken remotely and overseen by a member of the Licensing Team. The test is designed to assess your knowledge of the Lewes district and the conditions placed upon licensed drivers either by our own Policy or the Act(s). The test includes compulsory sections covering Highway Code, road signs, numeracy, safeguarding and comprehension of English.

Applicants sitting the knowledge test must attain a pass score in each section of the knowledge test.

Applicants who do not achieve the necessary pass mark will fail the test. If you do not meet the required standard, a further appointment can be made for you to be re-tested but each applicant has three attempts to pass the knowledge test before their application is refused and they will be unable to apply again for a minimum period of six months; you must therefore be properly prepared by the appointed date.

## **FAILURE TO ATTEND**

If you do not attend a knowledge test without reasonable excuse or fail to notify the Licensing Section in advance of your inability to attend a booked test, the Local Authority will consider that as a fail which counts towards your overall three attempts. A knowledge test can only be rescheduled once & must be attended on the second date or it will be marked as a fail.

## **STEP THREE:**

### **FINAL DOCUMENTATION NEEDED TO COMPLETE APPLICATION**

Once an applicant has successfully passed the knowledge test and received confirmation that their application is successful, they will need to submit the following documents to the Licensing Section:

- Passport sized photograph

## **KEEPING YOU INFORMED**

If there are any outstanding issues, a Case Worker will contact you to discuss matters. In the event of any Disclosure & Barring Service (DBS) disclosures which could affect your application, an appointment will be arranged with you for an interview with a Specialist Advisor

### **REFUSAL OF LICENCE**

If, in the opinion of the Council there are matters which call into question whether a person is 'fit and proper', the application will be referred to the Senior Specialist Advisor for consideration where the application may be refused or referred to the Council's Licensing Sub Committee for determination.

In the event of refusal, there is a right of appeal to the Magistrates Court within 21 days of the date of the decision made.

### **STEP FOUR:**

### **GRANT OF LICENCE**

Upon successful application, this authority issues the relevant licence applied for and will take the payment for the licence; the current fee for a Dual Drivers Licence is **£200** for a three year licence.

You will be emailed a copy of your licence & then your licence and badge will be sent via the post

New drivers will be given a numbered badge showing their photograph, licence number & licence expiry date, as well as other Council markings. The badge must be worn at all times and/or displayed in a prominent position when driving the vehicle for hire and reward. All Driver Licences will require renewing before the expiry of the licence, you will be provided with separate guidance on this matter at the time of renewing.

A Driver Licence is issued subject to compliance with legislative and Council requirements. You should make yourself aware of the legislative requirements of becoming a driver.

A copy of the Council's conditions accompanies every licence. Failure to comply with any of the legislative and/ or licence requirements is an offence. Where breaches occur, or where drivers conduct is called into question, the licence may be suspended or revoked.

### **FEES & CHARGES**

The Council does not refund the initial application fee, except where there are extenuating circumstances.

If issued with a 3 year driver licence, the Council will refund any full un-used years if the driver licence is surrendered prior to its expiry.

Payments are preferred by Direct/Credit card. You can pay the application fee with credit card on our website following this link:
