

## Climate Change Info

CC action plans are being updated now for publication November (Lewes) and December (Eastbourne)

Updates were last published Nov 2021 for both councils and can be found here (under strategy documents)

<https://www.lewes-eastbourne.gov.uk/community/eastbourne-climate-emergency/>  
<https://www.lewes-eastbourne.gov.uk/community/lewes-district-climate-change-and-sustainability/>

Action plans are monitored through quarterly Climate Change Scrutiny Panel at LDC – agenda and report pack for last meeting attached

And at Climate Change Strategic Panel at EBC (informal meeting – action notes only- attached)- meet quarterly but last meeting in July was solely focused on solar summit-( so no general notes)

Officer working group meets at least twice year to network and share projects/ideas/strategy updates. Managed through Teams group- actively engaged to monitor action plans and produce updates on 1:1 basis. Currently updating action plan for annual updates.
