1. INTRODUCTION

Lewes District Council makes this Statement of Licensing Policy in order to comply with its duties and powers under the Licensing Act 2003, ‘the Act’.

Licensing is about regulating licensable activities on licensed premises, qualifying clubs and at permitted temporary activities.

1.1 THE SCOPE OF THIS POLICY COVERS THE FOLLOWING

- Retail sale of alcohol
- The supply of alcohol by or on behalf of a club, or to the order of a member of the club
- The provision of regulated entertainment
- The provision of late night refreshment

1.2 THE AIMS OF THIS POLICY ARE TO:

- Secure the safety and amenity of residential communities
- Help to ensure a sustainable environment and provide regulation of the cultural/entertainment industry
- Promote the Licensing Objectives as set out in the Act

1.3 THE LICENSING OBJECTIVES ARE:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

IN MAKING THIS POLICY, LEWES DISTRICT COUNCIL RECOGNISES THE NEED TO:

- Protect the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises,

- Give Police and Licensing Authorities the powers they need to effectively manage and police the night-time economy and take action against those premises that are causing problems,

- Provide a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area

- Encourage greater community involvement in licensing decisions and give local residents the opportunity to have their say regarding licensing decisions that may affect them.
1.4 THIS STATEMENT PROVIDES GUIDANCE ..

to the police, applicants, objectors and residents on the general approach that the Council (acting through its Licensing Committee) will take when making licensing decisions.

The following will be taken into account when licensing decisions are being made:

- The Council as licensing authority must carry out its functions under the Act with a view to promoting the Licensing Objectives.
- Each licence application will be given individual consideration on its merits.
- When making its decisions, the Council will have regard to the matters contained in this Statement and to any Government guidance that is issued from time to time.
- That the Council will have regard to the provisions of the Human Rights Act 1998 and, in particular, Article 6 (right to a fair and public hearing); Article 8 (right to respect for home, private and family life) and Article 1 of the First Protocol (right to peaceful enjoyment of property and possessions).
- That the Council will have due regard to its Equality Duty under the Equality Act 2010 to eliminate unlawful discrimination, harassment and victimisation; to advance equality of opportunity; and to foster good relations between people who share a protected characteristic and people who do not share it. The protected characteristics are: age, disability, gender re-assignment, marriage and civil partnership (but only in respect of eliminating unlawful discrimination), pregnancy and maternity, race – this includes ethnic or national origins, colour or nationality, religion or belief – this includes lack of belief, sex (gender) and sexual orientation. In accordance with this Duty the Council publishes equalities information annually on the Council’s website.
- That when exercising a licensing function, the Council will have due regard to its duty under section 17 of the Crime and Disorder Act 1998, the provisions of the Police Reform and Social Responsibility Act 2011, any local public service agreements relating to the reduction of public place violence, and the Immigration Act 2016.

1.5 This Statement takes effect on 7th December 2017 for a period of 5 years and will be kept under review and revised/amended as required, following consultation.
2. LOCAL FEATURES

2.1 Lewes District Council covers an area of 113 square miles (292 sq km) and is home to approximately 100,000 people. Bordered by the varied landscape of the Downs to the south and the Weald to the north, it has 9 miles (14.5 km) of coastline. From coastal strip to rural countryside, Lewes District comprises a rich mix of town and village communities. The District population is concentrated to the coast with half of all residents living in the towns of Seaford, Newhaven, Peacehaven, Telscombe Cliffs and East Saltdean, while inland Lewes is the County Town of East Sussex. There are also numerous villages and hamlets within the area, which vary in size and form, and the District has one of the fastest growing populations in the South of England.

2.2 The main focus for licensed activities is in the Town Centres where there is a varied mix of premises from clubs, pubs, café/bars, restaurants, and large stores to smaller retail outlets for off licence sales. In the rural area there are a great number of village pubs, which are very much part of the community and supporting leisure and local activities.

2.3 Overall, the District has approximately 340 premises licensed under the Act, catering for the needs of the community and with few late night venues, club culture at the moment is not highly developed or wide spread.
3. **DELEGATION OF FUNCTIONS**

Licensing decisions and functions may be taken or carried out by the Council’s Licensing Committee or delegated to a Licensing Sub-Committee or in appropriate cases, officers of the Council. The scheme of delegation for dealing with licensing matters, under the Licensing Act 2003, is set out below:

4. GENERAL STATEMENT OF GUIDING PRINCIPLES

4.1 The following principles have been adopted by the Council as a licensing authority. These principles will serve as a general guide to the Council when it carries out its licensing functions.

PRINCIPLE 1
Issues of nuisance, noise, public safety and crime and disorder associated with the character, number and proximity of licensed premises in any one area (cumulative impact) will be addressed by the means set out in paragraph 5.1.5 of this Statement. However, if there is evidence to suggest that these means are unsuccessful in combating the issues referred to above, then the Council will consider reviewing its policy with a view to restricting the grant of licences to new premises in the affected area.

PRINCIPLE 2
The Council acknowledges that longer opening hours can help to ensure that the number of people leaving licensed premises at the same time is reduced.

PRINCIPLE 3
The Council will limit the access of children to licensed premises where this is appropriate to protect them from harm.

5. THE PRINCIPLES IN DETAIL

5.1 PRINCIPLE 1
Issues of nuisance, noise, public safety and crime and disorder associated with the character, number and proximity of licensed premises in any one area (cumulative impact) will be addressed by the means set out in paragraph 5.1.5 of this Statement. However, if there is evidence to suggest that these means are unsuccessful in combating the issues referred to above, then the Council will consider reviewing its policy with a view to restricting the grant of licences to new premises in the affected areas.

5.1.1 This is intended to:
- Promote the prevention of crime and disorder
- Promote public safety
- Address the issue of cumulative impact

5.1.2 The question of need for an additional licensed facility whether pub, club etc. is not covered by this policy but will be a matter for planning policies and strategies and for the area/district as a whole.

5.1.3 Licensed premises, especially those offering late night/early morning entertainment, alcohol and refreshment (for large numbers of people) can be a source of crime and disorder and applicants are recommended to seek advice from the Council’s Licensing Officer and the Police as well as taking into account local planning and transport policies, tourism, cultural and crime prevention strategies and local social demographic characteristics when preparing application.
and operation schedules which will be of benefit to the Licensing Authority when determining the application. Guidance regarding these policies and other specific local matters can be obtained from the Council’s Licensing Officer – see contact details (paragraph 8).

5.1.4 The Council will support:
- diversity of premises to ensure a mix of a different type of licensed premises, particularly in areas where there is a high density of such premises.
- care and control of premises by effective management and supervision both within and outside the premises. This is a key factor in reducing crime and disorder and applicants for premises licences in particular should address these issues within their respective operating schedules.
- good quality training for staff employed within the licensing trade and the obtaining of the accredited licensing qualification for bar staff and personal licence holders. The Council believes that proper staff training plays an important role in the promotion of the licensing objectives.
- café bar conditions where the sale of alcohol and other beverages are by a waiter/waitress service for consumption by persons seated at tables or equivalent and substantial refreshments are available during operating hours.

5.1.5 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the licence holder. Nonetheless, it is a key aspect of such control and licensing plays a part in the management of the night-time economy. If there are problems in a particular area with nuisance, crime and disorder and those problems are associated with the character, number or proximity of licensed premises in the area, the Council will seek to address those problems by the following means:
- Planning Controls
- The use of relevant and appropriate licence conditions. (However, see paragraph 6.5)
- Positive measures to create a safe and clean environment in partnership with local businesses, transport operations and other Council departments.
- Application of the powers of the Council to designate parts of the district as places where alcohol may not be consumed in public and the confiscation of alcohol from adults and children in such designated places.
- Liaise with Police over the enforcement of disorder and anti-social behaviour, including the issue of fixed penalty notices.
- The seeking of anti-social behaviour orders by the Council in appropriate cases.
- The prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk or under age.
- Work in partnership with Police to utilise powers to close down instantly for up to 24 hours any licensed premises or temporary event on grounds of disorder, the likelihood of disorder, or noise emanating from the premises causing a nuisance.

The list is not exhaustive of the measures that the Council may consider or take.

5.1.6 Any objection to a licence application or variation on the grounds of negative cumulative impact must be relevant and impact on one or more of the licensing objectives.

5.2 PRINCIPLE 2

The Council acknowledges that longer opening hours can help to ensure that the number of people leaving licensed premises at the same time is reduced.

5.2.1 This is intended to:
- promote the prevention of crime and disorder
- promote public safety
- promote the prevention of public nuisance

5.2.2 It is recognised by the Council that longer licensing hours (with regard to the sale of alcohol) may help to ensure that the number of customers leaving premises simultaneously is avoided. Fixed and artificially early closing times can encourage, in the case of sales of alcohol, rapid binge drinking close to closing times and are a key cause of disorder and disturbance when large numbers of customers are required to leave premises at the same time.

5.2.3 However, there is no general presumption in favour of lengthening licensing hours. The four licensing objectives will be paramount considerations at all times and each case judged on its individual merits.

5.2.4 Any person has a right to make representations concerning applications for premises licences and club certificates and hours of trading and to have those representations given due regard.

5.2.5 In each case that arises following objections/representations the Council will:
- consider the potential for public nuisance, crime and disorder and/or danger to public safety associated with the style, characteristics and activities of the business involved and the rights of residents to peace and quiet
- examine the potential steps which could be taken to reduce the risk of public nuisance, crime and disorder and/or danger to public safety, particularly in areas of dense residential accommodation
- consider restricting the hours of trading in cases where there are good grounds for believing that the licensing objectives will be or are being undermined
5.3  **PRINCIPLE 3**

5.3.1  The Council will limit the access of children to licenced premises where this is necessary to protect them from harm.

This is intended to:
- promote the protection of children from harm
- address the issue of children in licensed premises, including cinemas and other public entertainment

5.3.2  No policy can anticipate every issue of concern that could arise in respect of children with regard to individual premises. Consideration of the individual merits of each application are therefore the best mechanism for judging such matters.

5.3.3  The Council will take particular account when:
- there have been convictions for serving alcohol to minors
- there is evidence of underage drinking
- there is evidence of drug taking or dealing
- there is a strong element of gambling
- entertainment of an adult or sexual nature is commonly provided
- the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at those premises

5.3.4  Complete bans will be rare, but the options for limiting the access of children, where appropriate, to prevent harm include:
- limitations on the hours when children may be present
- age limitations (below 18 years)
- limitations or exclusions when certain activities are taking place
- requirements for an accompanying adult
- full exclusion of people under 18 years from the premises when any licensable activities are taking place

5.3.5  The Council will not impose conditions that require licensed premises to admit children. Where it is not appropriate for a licensing restriction the decision to admit children will be a matter for the discretion of the individual licensee or club.

5.3.6  **CHILDREN AND CINEMAS**

In the case of premises giving film exhibitions, the Council expects licensees to impose conditions that children will be restricted from viewing age-restricted films classified in accordance with the recommendations of the British Board of Film Classifications or the Local Authority.
5.3.7 **CHILDREN AND PUBLIC ENTERTAINMENTS**

Where such entertainments are due to take place, the Council will expect an adequate number of adults to be present for health and safety reasons. The number of adults required should be calculated on the basis of a risk assessment. The Council will also take into account considerations such as the size of the venue, the number and ages of the children present and the type of activity involved.

6. **OTHER CONSIDERATIONS**

6.1 **LIVE MUSIC, DANCING & THEATRE**

The Council recognises the need to encourage and promote live music, dance and theatre for the wider cultural benefits of the community. The Council will seek to obtain a balance between the potential for limited neighbourhood disturbance and the benefits of cultural activities, particularly for children, and will not allow the views of the few to predominate over the general interests of the community.

The Council will only attach licence conditions that are reasonable, proportionate and appropriate for the promotion of the licencing objectives. The Council is aware of the need to avoid measures as far as possible that deter live music, dancing and theatre for example by imposing indirect costs of a disproportionate nature.

The Council is aware of the value to the community of a broad range of cultural entertainments, particularly live music, dancing and theatre. The Council wishes to encourage them for the benefit of all.

6.2 **SHOPS, STORES AND SUPERMARKETS**

6.2.1 Shops, stores and supermarkets should be free to provide sales of alcohol for consumption off the premises at any time when the retail outlet is open.

6.2.2 The Council will generally permit the sale of alcohol when the retail outlet is open for shopping.

6.2.3 In certain circumstances, however, it may be appropriate to impose a limitation, for example, following police representations in the case of some shops known to be a focus of disorder and disturbance because youths gather there.

6.2.4 When determining an application for a premises licence the Council has no obligation to consider the rights of workers employed. These are covered by separate legislation.

6.2.5 The impact on workers of extended hours permitted by a premises licence is a contractual matter to be resolved between the employer and employee, and the Council will not seek to intervene in these matters.
INTEGRATION OF STRATEGIES

6.3.1 The Council is ensuring that this Statement of Policy integrates with crime prevention, anti-social behaviour, planning, transport, tourism and cultural strategies by:

- Having regard to the Lead Agency Protocol drawn up between Sussex Police, Local Authorities, the Fire and Rescue Service and Trading Standards.
- Liaising and consulting with Sussex Police, with the Crime and Community Disorder Reduction Partnership and by following the guidance in community safety and crime disorder strategies
- Liaising and consulting with East Sussex Fire and Rescue Service and by following the guidance in fire safety strategies and protocols
- Liaising and consulting with the Local Strategic Partnership and Area Partnerships
- Liaising and consulting with the Planning Authority
- Liaising and consulting with the Highway Authority
- Liaising and consulting with the Local Health Authority
- Liaising and consulting with the Immigration Authority
- Liaising and consulting with tourism, stakeholder and business groups such as the local Chamber of Commerce
- Liaising and consulting with East Sussex County Council’s Trading Standards Department
- Having regard to any future guidance issued in relation to the Private Security Industry Act 2001 including any liaison or information sharing protocols
- Having regard to the Home Office “Safer Clubbing Guide”

6.3.2 Specific conditions may be attached to premises licences to reflect local crime prevention strategies (however see paragraph 6.5).

Such conditions may include:

- the use of closed circuit television cameras
- the provision and use of shatterproof drinking containers
- a drugs and weapons search policy
- the use of registered door supervisors under Private Security Industry Act 2001
- specialised lighting requirements
- restrictions on hours opening

6.3.3 Certificates issued to club premises will reflect local crime prevention strategies and may include any or all of the requirements listed above. Account will also be taken of any public spaces protection orders and guidelines that regulate street drinking.
6.3.4 Club owners and promotors will be expected to have regard to safer clubbing guidance for Licencing Authorities, club managers and promotors. The Council will ensure that licenced premises are designed and run in a way that maximises the safety of customers and staff.

6.3.5 The Council will take account of the need to disperse people quickly and safely from town centres to avoid concentrations which may produce disorder and disturbance. The Council will also take into account any protocols agreed between the police and other licencing enforcement agencies.

6.3.6 The Council's planning and licencing regimes are separate, they involve consideration of different (albeit related) matters. The Licencing Committee will not consider representations that relate to planning rather than licencing issues and will not be bound by decisions that are made by the Planning Committee, and vice versa.

6.3.7 The grant of a premises licence shall not be regarded as an indication that planning permission or building regulations approval has been (or will in the future be) granted. A separate application for planning consent, change of use and/or building regulations approval must always be made. Ideally, planning consent should be obtained before a licencing application is submitted.

6.4 OTHER LEGISLATION

6.4.1 This policy shall avoid duplication with other regulatory regimes wherever possible. In this regard, reference shall be made to the following:

6.4.2 HEALTH AND SAFETY

The Council's Environmental Health inspection staff will normally have visited licenced premises to assess/enforce health and safety requirements.

Certain premises will fall outside the responsibility of the Environmental Health Department and will be subject to regulation/enforcement by the Health and Safety Executive (HSE).

Health and Safety regulations impose a range of general and specific duties on employees, employers, operators of venues and members of the public. Matters arising out of the Health and Safety at Work etc Act 1974 and associated regulations will not be addressed by the imposition of licensing conditions unless they are appropriate for the promotion of the licencing objectives.
6.4.3 **SMOKING**

The Health Act 2006 introduced the smoke free provisions that protect employees and the public from the harmful effects of second hand smoke. The Council will be responsible for enforcing these provisions and will offer information advice and support to businesses so they can meet their legal obligations. Managers of licensed premises will have a legal responsibility to prevent smoking.

6.4.4 **FIRE SAFETY**

Operators of licensed premises have duties under various fire safety regulations and the same considerations as above will apply.

6.4.5 **FOOD HYGIENE**

Premises selling alcohol and/or premises engaged in a food business will be registered with Lewes District Council and subject to risk-based food hygiene inspections at regular intervals.

6.4.6 **NOISE**

Statutory and Public nuisances are dealt with by the Environmental Health Department under the Environmental Protection Act 1990 and associated legislation. Noise from commercial premises may also be covered by the legislation.

6.4.7 **WASTE**

Complaints relating to the accumulation and storage of waste will be dealt with by the Council under the provisions of any appropriate legislation.

6.5 **STANDARD CONDITIONS**

If a responsible authority or any other person does not raise any representations about a licencing application made to the Council, it is the duty of the Council to grant the licence or Club Premises Certificate subject only to conditions that are consistent with the operating schedule or club operating schedule and any mandatory conditions prescribed in the 2003 Act itself.

The Council may not therefore impose any conditions unless its discretion has been engaged following the making of relevant representations. It may then only impose such conditions that are appropriate to promote the licensing objectives arising out of consideration of the representations.

The Council will tailor its own conditions to the size, type, location and characteristics and activities taking place at the premises concerned.
6.6 REVIEW AND ENFORCEMENT

6.6.1 The Licensing Authority is a responsible authority under the Licensing Act and can make representations and call a review. The Licensing Authority through the Licensing Officer will always pursue partnership working between agencies and other responsible authorities to resolve problems and concerns regarding premises under the licencing objectives.

6.6.2 Enforcement of the licensing law, public safety and the inspection of licensed/club premises will be undertaken by the relevant authorities in accordance with local agreements between Sussex Police, East Sussex Fire & Rescue Service, Trading Standards and the Licensing Authorities in Sussex.

6.6.3 Attention is drawn to the targeting of agreed problems and high risk premises requiring greater attention as may be identified from time to time by the relevant enforcement agencies. Inspections of premises will be on a risk assessed basis, to be undertaken when and if necessary.

6.6.4 The provisions set out in the Act for calling a review or making representations represent a key protector for the community where there are concerns about an application or problems associated with premises under crime and disorder, public safety, public nuisance and the protection of children from harm.

6.6.5 Following the grant of a premises licence or club certificate a responsible authority or any other person regardless of where they live, may ask the Council to review the licence/club certificate because of matters arising at the premises in connection with any of the four licensing objectives.

6.6.6 In every case, the application for a review must relate to particular premises for which a premises licence or club certificate is in existence and must be relevant to the promotion of the licencing objectives.

6.6.7 The Council will endeavour to give licence/certificate holders early notification of their concerns about problems identified at particular premises in partnership with the other enforcement agencies. This does not affect the right of any other person to call a review under the provisions of the Act.

6.6.8 Where concerns are raised by residents or any other person about an application or grounds to seek a review the Licencing Authority would expect those affected parties to make a relevant representation or apply for a review in their own right.

6.6.9 The Licencing Authority may choose to exercise its powers as a responsible authority and to call a review or make representations in any situation that it deems appropriate on the merits of any individual case.
7. **LATE NIGHT LEVY**

Following the introduction of the Police Reform and Social Responsibility Act 2011 the licensing authority may introduce a late night levy. The levy would relate to a late night supply period which begins at or after midnight and ends at or before 6am. Any premises which are not subject to an exemption who supply alcohol during the supply period on any night of the year would be required to pay the late night levy, the level of which is based on rateable value. The late night levy will not be introduced without the required consultation as detailed in the legislation and accompanying guidance.

At present the Council does not propose to introduce a Late Night Levy.

8. **EARLY MORNING RESTRICTION ORDER (EMRO)**

Following the introduction of the Police Reform and Social Responsibility Act 2011, if the licensing authority considers it appropriate for the promotion of the licensing objectives it can make an early morning alcohol restriction order. An order would mean that any premises licence, club premises certificate or temporary event notice that authorises the sale of alcohol during the period specified in the order would not have effect. The period specified must begin no earlier than midnight and end no later than 6am.

At present the Council does not propose to introduce an Early Morning Restriction Order.
