

PART 9

Scheme of Delegation to Officers

1 General

- 1.1** When a function is delegated to officers it shall be implicit in the delegation that all such consequential and incidental acts as may be necessary by way of implementation shall also be delegated.
- 1.2** Each delegated power includes authority, after consultation with the Council's senior legal officer, for:
- (a) the prosecution, defence, institution of or appearance in any legal or other proceedings in any Court, inquiry or tribunal or before any similar body; and
 - (b) the conduct of any such proceedings. All legal proceedings shall be undertaken under the name of the Council's senior legal officer.
- 1.3** All powers delegated to an officer shall be exercised by the officer concerned only if the matter concerned is within the overall policy and budget approved by the Council and within any budget allocated to the Cabinet or Committee or Sub-Committee. Any exercise of delegated powers shall be carried out in accordance with any statutory or other legal requirements and in accordance with the Constitution including the Contract Procedure Rules and Financial Procedure Rules.
- 1.4** In the Scheme of Delegation, "Designated Officer" means the Chief Executive, Deputy Chief Executive, Director of Service Delivery, Director of Regeneration and Planning, Director of Tourism and Enterprise, Assistant Director - Legal and Democratic Services, Assistant Director for Corporate Governance, Assistant Director - Human Resources and Transformation, Chief Finance Officer and any other officer properly authorised to act for such a Designated Officer.

The Designated Officers may authorise other officers to act in their name. The Designated Officers therefore remain accountable for staff acting under their control and direction and in their name. Any such authorisations or appointments shall be in writing and shall be recorded in a register kept by the Council's senior legal officer.

The Designated Officers may appoint officers to posts which have Proper Officer duties attached to them (see paragraph 2.1 below for an explanation of what is meant by "Proper Officer").

- 1.5** For the avoidance of doubt, any function delegated to a Designated Officer of the Council, shall be deemed also to be delegated to the

Chief Executive who, in the absence of the Designated Officer on leave, through sickness, attendance at conference or for any similar reason, or who is unable to act on account of a conflict of interest, shall authorise a substitute officer to act. The exception to this shall be the Head of Finance who shall act on behalf of the statutory officer appointed under Section 151 of the Local Government Act 1972 in that officer's absence, and such legal officer as is appointed by the Monitoring Officer to act on his/her behalf in the Monitoring Officer's absence.

- 1.6** The appropriate Designated Officer shall be empowered to make proposals under the Town and Country Planning General Regulations 1992 and to seek any required planning or building control permission in pursuance of any resolution or objective of the Council.
- 1.7** The appropriate Designated Officer shall have authority to invite and accept tenders for any work authorised by the Cabinet or any Committee and contained within the Capital and Revenue Budgets, subject to the procedures set out in the Constitution and to appoint consultants when necessary, subject to the cost being within budget.
- 1.8** The Designated Officers shall be able to authorise officers within their area of management to act in their absence, in which case such authorisation shall be in writing.
- 1.9** This Scheme of Delegation should be read in conjunction with any service and/or business plans of the Council's departments. These set out the general priorities for the Council's activities and are agreed by the Council on an annual basis. Designated Officers are delegated to carry out the activities described in these plans with overview by the Council being carried out through its performance management and budget monitoring framework.
- 1.10** Any officer may be given delegated authority to discharge functions by a specific decision of the Council, a Committee, a Sub-Committee or the Cabinet, whether made before or after the adoption of this Scheme and the absence of the delegation from this Scheme shall not be treated as preventing the exercise of that delegation.
- 1.11** Any reference in this Scheme of Delegation to discharging functions under an Act of Parliament includes discharging functions under any Regulations, Statutory Instrument or other subordinate legislation made under or for the purposes of the Act of Parliament (any reference to an Act of Parliament includes any Regulations, Statutory Instrument or other subordinate legislation made under or for the purposes of the Act of Parliament and any legislation re-enacting or amending it).

2 Proper Officer/Statutory Appointments

- 2.1 Some powers exercised by officers arise from Acts of Parliament which require the Council to appoint holders of particular posts or named officers to carry out a particular function or work of the Council. Often the legislation will require the Council to appoint a “Proper Officer” to carry out a specified function.

Examples of such posts are the Head of Paid Service, Monitoring Officer, Section 151 Officer (responsible for proper accounting and financial issues), and officers for various specified purposes (including electoral registration and elections).

These appointments are set out in the Proper Officers’ Table below and the Proper Officer shall be able to authorise officers within their area of management to act in their absence in which case such authorisation shall be in writing. Where a specific post is designated as a Proper Officer post, the Chief Executive and the Designated Officers can appoint particular officers to undertake the Proper Officer functions attached to that post.
