Application for a Severe Mental Impairment/Illness Discount or Exemption

Thank you for your recent enquiry regarding a Severe Mental Impairment Discount/Exemption.

A person will qualify for the Discount or Exemption if a doctor certifies that there is a severe impairment of intelligence and social functioning which appears to be permanent. They must also be in receipt of a “qualifying benefit”.

In order that I may assess if you are eligible, please complete the enclosed application form. All parts of the form should be returned to the Council Tax Office so that it can be sent to your registered Doctor for completion.

You should also send a recent award letter showing the date your “qualifying benefit” was awarded from.

Please ensure that the form and the relevant supporting documentary evidence are returned within 21 days from the date of this letter.

You must inform this office immediately if there is a change in your circumstances which may or may not affect your entitlement.

Remember that you can access a number of services from our website – www.eastbourne.gov.uk - and if you register and sign in to your account you can track the status of your reports and requests online.

Yours sincerely
