05/10/2020 12:22	Councillor Wallis.	The country has been rightly shocked, upset and dismayed by the high-profile killings of PC Andrew Harper in August 2019 & Sgt Ratana in September 2020. On average, five serving police officers die each year and an incredible 30,000 are injured annually in the line of duty. I thank the police for all that they do in trying to keep us all safe. My thoughts and prayers are with all those families who have lost a loved one, who was serving in the police force.
05/10/2020 12:35	Margaret Robinson	In memory of all our brave police who risk their lives every day to protect us and to the ones who have been killed in the line of duty.
