### Response by Lewes District Council

I have carefully considered your request and investigated whether there is any additional information available that is not already publicly available.

I have determined that the information you have requested is already publicly available, and therefore under the Freedom of Information Act (2000), Section 21 (information accessible to applicant by other means) this information is exempt from requiring further action in order to make it accessible to you and the general public.

The above exemption specifies that where information is already reasonably accessible to the applicant there is no duty for the local authority to provide any additional copy of the material. This may include information for which a charge applies.

This exemption also requires Lewes District **Council** to inform you where this information is available from and how to access it. The details of how to obtain it are provided in the link below:

**The information you require is available on our Planning Portal which can be accessed via this link -**

Once you are in the portal type in **caravan** in the search area and it will return all pages where caravan is listed.
