Dear Andy,

Lewes District Local Plan Part 2: Site Allocations and Development Management Policies - Submission under Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2012

I am pleased to be able to submit the Lewes District Local Plan Part 2: Site Allocations and Development Management Policies Development Plan Document.

Please find enclosed an encrypted data stick containing electronic copies of the submission documents including a full index of the core documents and evidence being submitted. The index highlights that two of the documents, the Schedule of Minor Changes and the Employment Background Paper, will be sent subsequently and this will be by email in January. The encryption password for the data stick will be sent separately in an email on 21st December.

The submission documents will be made available on our website early in the New Year via the following link: www.lewes-eastbourne.gov.uk/lpp2-examination.

Please be advised that Copies of Representations enclosed in this submission will not be published in full on our website where to do so would contravene our Public Sector Equality Duty. In cases where representations cannot be published in full, offending text will have been redacted but the representor's position will still be clear.

We have appointed a Programme Officer and his details are:

A press release will be issued to the local newspaper in January confirming that the Council has submitted the Lewes Local Plan Part 2 and where the associated documentation can be viewed.

Under section 20(7c) of the Planning and Compulsory Purchase Act 2004 (as amended), we would like to make a formal request for the Inspector to recommend such modifications that he/she consider are required to make the Lewes Local Plan Part 2 sound.

It is requested in the SLA from PINS that we provide an estimate of the likely duration of any hearing part of the examination; we anticipate the hearings lasting no longer than 2 (4-day) weeks. The preferred date for the opening of the hearings is 2nd April 2019.

Please do not hesitate to contact me if you need any further clarification on any of these matters relating to the Lewes Local Plan Part 2.

Yours Sincerely,

Tondra Thom AssocRTPI
