This self-assessment form has been completed by the Customer Experience and Performance Lead and approved by the Cabinet Member for Social Housing (Member Responsible for Complaints) and TOLD (Tenants of Lewes District) at their meeting on . 21st August 2025.

This document It will be reviewed at least annually or following an Ombudsman investigation and published as part of the annual complaints performance and service improvement report on our website.

1.2	A complaint must be defined as: <i>'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.'</i>	yes	Complaints Management policy – approved June 2024	<p>See policy - How we define a Complaint</p> <p>A complaint is defined as an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual or group of individuals. Each complaint will be judged on its own merit.</p> <p>As a corporate complaints policy the word individual is used not resident</p>
1.3	A resident does not have to use the word 'complaint' for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord's complaints policy.	yes	Complaints Management policy – approved June 2024	<p>See policy - Making a Complaint</p> <p>... When an officer first receives information from a customer which is indicating dissatisfaction, whether this is over the phone, by email or face to face, the first response should always be to try to resolve the issue. If further enquires are needed to resolve the issues, or if the customer requests it, the issue will be logged as a complaint.</p> <p>This is covered in internal training and guidance for staff</p>
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not	yes	Complaints Management policy – approved June 2024	<p>See policy - What is Not a Complaint</p> <p>A service request, which is defined as a request that the organisation provides or improves a service, fixes a problem or reconsiders a decision</p> <p>This is covered in internal guidance and training for staff</p>

	complaints, but must be recorded, monitored and reviewed regularly.			
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	yes	Internal guidance	This is covered under internal guidance and our policy allows for a complaint to be made at any point when the customer is dissatisfied with the service they receive. As of August 2025 we will be adopting a new internal process for complaints management whereby operational teams will be responsible for responding to complaints. Review of the process will include consideration of service requests and complaints to ensure consistency
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	yes	Survey scripts	Acuity who undertake our surveys across Lewes and Eastbourne ask the respondent <i>If you are dissatisfied with the service provided, (client name) do have a complaints process you can access by calling (client tel no.), emailing (client email address) or by completing a form on their website where you will find more information.</i>

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning.	Yes	Complaints Management policy – approved June 2024	See policy- What is Not a Complaint If we are unable to accept the customer complaint, we will advise the customer of this, provide evidence as to why we have reached this conclusion, and refer them to the relevant Ombudsman.

	Each complaint must be considered on its own merits			
2.2	<p>A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents.</p> <p>Acceptable exclusions include:</p> <ul style="list-style-type: none"> • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court. • Matters that have previously been considered under the complaints policy. 	Yes	Complaints Management policy – approved June 2024	See policy - Timescales and exceptions Is something which has already been subject to appeal or legal action, where an appeal is in progress, or the complainant could reasonably have made an appeal, or taken legal action, but has chosen not to do so. In this situation, the council will decline to investigate, stating the reasons why in their response to the complainant, as indicated above, and explain the right for the customer to take that decision to the Ombudsman
2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Yes	Complaints Management policy – approved June 2024	See policy - Timescales and exceptions ‘The council is committed to investigating complaints that have occurred within 12 months of the customer becoming aware of the issue or the issue occurring. 3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	partial	Complaints annual review to Lead officers and to Governing bodies	Quarterly complaints reports have identified complaint trends. These are reported to our Tenant groups and Members Responsible for Complaints. Of note that during 24/25 all disrepair claims have been dealt with as part of our internal complaints process which has increased complaint numbers We have reviewed our complaint numbers as part of the Housemark benchmarking for 24/25 and note the that our complaints received are above the median average for the South and England as a whole. 4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. The role may be in addition to other duties.	Yes	New process effective from August 2025	During 24/25 we managed complaints through a dedicated team of Specialist Advisors within the Customer Experience Team. We reviewed our approach and piloted with the Property Service Team services responding to complaints relating to their team. The Customer Experience team retained stage 2 complaints management and Housing Ombudsman Administration. Following a successful pilot which saw response rates improve the model will be extended to all service from August 2025 for both stage 1 and stage 2 complaints – with different officers responding to stage 2 cases. The Customer First team will ensure that response times are in line with the Housing Ombudsman code and will quality check a sample of responses. They will also take over responsibility for managing housing ombudsman cases.
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Yes	New process effective from August 2025	Officers managing complaints will be typically team leaders who will liaise with staff in relation to responses. Customer First will sample responses to ensure consistency and fairness along with the Customer Feedback Team who will retain some oversight in order to report to Members Responsible for Complaints and our Governing bodies. Specific reference is made within the policy, where appropriate to housing related complaints
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	yes	Complaints Management policy – approved June 2024	See policy - Making a Complaint the first response should always be to try to resolve the issue. We operate a 2 stage internal process – stage 3 is referral to the Housing Ombudsman
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	yes	Complaints Management policy – approved June 2024	We operate a 2 stage internal process - stage 3 is referral to the Housing Ombudsman

5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. 5.8	At each stage of the complaints process, complaint handlers must: 1. deal with complaints on their merits, act independently, and have an open mind; 2. give the resident a fair chance to set out their position; 3. take measures to address any actual or perceived conflict of interest; and 4. consider all relevant information and evidence carefully.	yes	Complaints Management policy – approved June 2024	See Policy - How we Define a complaint ...Each complaint will be judged on its own merit... Landlords must keep a record of any reasonable adjustments agreed, as well as a record of	partial	Complaints Management policy – approved June 2024	See Policy - How the customer Makes a Complaint If the customer requires any reasonable adjustment to be made in line with the Equality Act, then this will be recorded as part of the complaint and kept under review throughout the process. 5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.	yes	Internal staff guidance and Customer Relationship Management (CRM) software	<p>Our internal process is detailed in staff guidance which has been updated as of Aug 2025 to account for the new process. Ensuring that reports and documents are recorded on our CRM software will form part of the process managed by Customer First.</p> <p>The Customer Feedback team will work with services as part of the service improvement work to streamline record keeping</p>
5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process.	yes	Complaints Management policy –	<p>See Policy - Remedial action</p> <p>Our Customer facing policy outlines what remedies we can take to resolve issues and these remedies can be applied at any time.</p>

Section 6: Complaints Stages

Stage 1

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
6.1	Landlords must have processes in place to consider which complaints can be responded to as early as possible, and which require further investigation. Landlords must consider factors such as the complexity of the	Yes	Complaints Management policy – approved June 2024	See Policy - Stages of considering a complaint Initially the complaint should be discussed informally with the customer. If resolution cannot be achieved this way, then the complaint should be moved to an investigation stage. Complaints

Most stage 1 complaints can be resolved promptly, and an explanation, apology or resolution provided to the resident.			resolved immediately by the Customer Contact Team will be recorded as a stage one response. All complaints which come through to the Customer Experience Team have been logged as complaints and managed in line with the policy. The complainant is contacted to establish the issues and to identify if there are any vulnerabilities that inform the resolution Every attempt is made to resolve the issues at the earliest opportunity, whilst formally responding to the complaint.
6.2	Complaints must be acknowledged, defined and logged at stage 1 of the complaints procedure <u>within five working days of the complaint being received.</u>	Yes	Complaints Management policy – approved June 2024	See Policy - Stage 1 Complaint A stage 1 complaint will be acknowledged within 5 days of receipt and responded to within 10 working days of the acknowledgement

If 10 days is not sufficient the Council will agree a new response timeline with the customer

	the reason(s) must be clearly explained to the resident.			
6.5	When an organisation informs a resident about an extension to these timescales, they must be provided with the contact details of the Ombudsman.	Yes	Complaints Management policy – approved June 2024	See Policy Section - Extensions The Council will advise the customer or the relevant Ombudsman if an extension is proposed or agreed.
6.6	A complaint response must be provided to the resident when the answer to the complaint is known, not when the outstanding actions required to address the issue are completed. Outstanding actions must still be tracked and actioned promptly with appropriate updates provided to the resident.	Yes	Internal staff guidance	This approach has now been embedded within internal staff guidance and is included in staff training. There remains a caveat that if the tenant expressly wishes us not to close a complaint until the matter is fully concluded we will respect their wishes and confirm this to them accordingly
6.7	Landlords must address all points raised in the complaint definition and provide clear reasons for any decisions, referencing the relevant policy, law and good practice where appropriate.	Yes	Internal staff guidance	The complaint definition is established during the initial contact call / email with the complainant and confirmed to the customer in writing. Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation

Landlords are expected to make reasonable efforts to understand why a resident remains unhappy as part of its stage 2 response.	Yes	Internal Complaints process – Guidance	All stage 2 complainants are contacted by a member of staff (not involved in the original stage 1 response) to understand why the resident remains dis-satisfied.
6.13	The person considering the complaint at stage 2 must not be the same person that considered the complaint at stage 1.	Yes	Complaints Management policy – approved June 2024	See Policy - Stage 2 Complaint The Investigating Officer for stage 2 should be different to the Investigating Officer for stage 1. 6.15	Landlords must decide whether an extension to this timescale is needed when considering the complexity of the complaint and then inform the resident of the expected timescale for response. Any extension must be no more than 20 working days without good reason, and the reason(s) must be clearly explained to the resident.	Partial	Complaints Management policy – approved June 2024	See Policy - Extensions In exceptional circumstances an extension of a further 10 days is allowable, with the justification for this extension being clearly explained to the customer. If 10 days is not sufficient the Council will agree a new response timeline with the customer Complaint response times are not inline with the expectations of the code due to resourcing issues. As a result a change in process will be introduced from August (following a three month pilot with Property Services) with operational services responsible for their own complaints responses. This will provide for greater accountability and spreads the response writing across a wider staff group which mitigates the resourcing issues.
6.16	When an organisation informs a resident about an extension to these timescales, they must be provided with the contact details of the Ombudsman.	Yes	Complaints Management policy – approved June 2024	See Policy Section - Extensions The Council will advise the customer or the relevant Ombudsman if an extension is proposed or agreed.
